

Call for Posters - ISSEP 2016

9th International Conference on Informatics in Schools: Situation, Evolution, and Perspective

<http://issep2016.ens-cachan.fr/>

October 13-15, 2016
University of Münster, Germany

The International Conference on Informatics in Schools: Situation, Evolution, and Perspective (ISSEP) is an established forum for researchers and practitioners in the area of Computer Science Education with a focus on secondary schools. The ISSEP series started in 2005 in Klagenfurt, followed by meetings in Vilnius (2006), Torun (2008), Zürich (2010), Bratislava (2011), Oldenburg (2013), Istanbul (2014) and Ljubljana (2015).

The 9th ISSEP conference will take place at the University of Münster, Germany. It will be held jointly with WIPSCE 2016. The conference language is English.

The main topics of the conference are (for more details see the conference webpage):

- Sustainable education in Informatics for pupils of all ages
- Connecting Informatics lessons to the students' everyday lives
- Teacher education in Informatics
- Research on Informatics in schools (empirical / qualitative / quantitative / theory building / research methods / comparative studies / transferability of methods and results from other disciplines)

The organisers of ISSEP 2016 cordially invite you to submit a poster proposal. Poster submissions may describe recently completed work, relevant results of work in progress, or successful systems and applications, etc. Moreover, presenting a poster at the conference is a great opportunity to get feedback on work that has not yet been published.

Poster presentations will be an integral part of the conference. To maintain interactivens and exciting poster presentations, at least one presenter per accepted poster is required to attend the conference.

A 2-page poster proposal must include a short description of the research topic, the method, and, if possible, research results and implications based on the research results.

If the proposal is accepted, a vertical rectangular board will be provided at the conference for the presentation of your poster. Moreover, a 2-page abstract will also be included in ISSEP proceedings.

Poster proposals must be formatted using the LNCS style and submitted as pdf file. Template is available at: <http://issep2016.ens-cachan.fr/ISSEP-PosterExample.zip>.

Please use this template in order to format your document and do not change the styles or margins given in the template. Note that poster proposals not using this format in full will not be accepted.

Please, submit your proposals by e-mail to: issep2016@easychair.org

Submission deadline: August 27, 2016 Author notification: September 3, 2016 Camera-Ready due : September 23, 2016
